Milton Keynes Council, under their powers provided by the above legislation, **Refuse Permission** for

**Demolition of the existing porch, construction of a new side one-story extension
At: 54 Tiffany Close Bletchley Milton Keynes MK2 3NA**

in accordance with your application, valid on 19th April 2022 and the following drawings:

Received 19/04/2022:

KTK-PL004/22 Proposed floorplans

Received 22/03/2022:

KTK-PL001/22 Location plan, block plan

KTK-PL005/22 Proposed elevation

The reason(s) for refusing your application are:

(1) The proposed single storey side extension, due to its width, size, depth and location up to the adjacent public footpath, would be a visually dominant feature within the street scene. Given the set back nature of development within the street scene from the public highway, this proposal would lead to a visual jarring effect with no relief from the public footpath, exacerbated by the four windows in this boundary. The proposal would be out of keeping with the character of the area in this regard. Therefore, the proposal is contrary to Policies D1, D2

and D3 and Point 5 of Policy D5 of Plan:MK 2019.

Working With the Applicant

In accordance with paragraph 38 of the National Planning Policy Framework Milton Keynes Council takes a positive and proactive approach to development proposals focused on solutions. Milton Keynes Council works with applicants/agents in a positive and proactive manner by: offering a pre-application advice service; as appropriate updating applicants/agents of any issues that may arise in the processing of their application; where possible suggesting solutions to secure a successful outcome; informing applicants/agents of any likely recommendation of refusal prior to a decision; and by adhering to the requirements of the Milton Keynes Council Corporate Plan and the Planning and Transport Service Plan.

In this instance, the proposal was not acceptable and the application was refused.

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State for the Environment under Section 78 of the Town and Country Planning Act 1990 (as amended).

If you want to appeal, then you must do so within 12 weeks of the date of this notice. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

You can appeal using a form that you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Customer Support Unit, Tel: 0117 372 6372. Appeal forms and guidance can also be downloaded from the Planning Inspectorate's website www.planning-inspectorate.gov.uk.

Alternatively, the Planning Inspectorate have introduced an online appeals service which you can use to make your appeal online. You can find the service through the Appeals area of the Planning Portal – <https://www.planningportal.co.uk/info/200207/appeals>. The Inspectorate will publish details of your appeal on the internet (on the Appeals area of the Planning Portal). This may include a copy of the original planning application form and relevant supporting documents supplied to the local planning authority by you or your agent, together with the completed appeal form and information you submit to the Planning Inspectorate. Please ensure that you only provide information, including personal information, that you are happy will be made available to others in this way. If you supply personal information belonging to a third party please ensure have their permission to do so. More detailed information about data protection and privacy matters is available on the Planning Portal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.
