Ref No: Bletchley piling and road works

Dear Neighbour,

IMPROVEMENT WORKS – Bletchley

East West Rail Alliance would like to inform you of works which are taking place in Bletchley.

Piling

We are continuing our piling activities on the West Coast Main Line in order to build hoarding along the railway. We are also carrying out piling for the new Bletchley High Level Station.

We are soon to complete lifting the piers from the West Coast Main Line. These will be lifted over similar overnight weekend possessions.

These works are only permitted to be undertaken when the West Coast Main Line is closed due to the proximity to the operational railway.

Works will take place every Saturday night (including some midweek nights) and will be completed in March 2021.

Indicative working hours are:

- **Saturday: 11:00 am to Sunday 11:00 am**
- **Midweek: 11:00 pm to 5:00 am or 1:00 am to 4:00 am**

We appreciate that these works are disruptive to the local area, and we are doing what we can to minimise the noise.

Road closures

Water Eaton Road:

These works are on-going. Once we have completed the construction of the bell mouth, we will reopen this road on 15th February 2021.

Buckingham Road:

While we carry out concrete cutting to the remaining piers adjacent to Buckingham Road, we will close two lanes **overnight** from the Brunel shopping centre roundabout, going eastbound to Water Eaton Road.

These works will start from 10:00 pm Monday 15th February to 5:00 am Saturday 28th February 2021.

Traffic barriers will be put in place and removed each day as we close and reopen the eastbound carriageway of Buckingham Road from 10:00 pm to 5:00 am.

A temporary traffic management diversion will be in place throughout the works for vehicles.

The Westbound carriageway of Buckingham Road, and the footpath from Water Eaton Road to the Brunel shopping centre roundabout, will remain open.

Buckingham Road will remain open on both Sunday 21st and Sunday 28th February 2021,

I hope this information is helpful and we apologise for any inconvenience this work may cause. I would like to take this opportunity to thank you for your patience and understanding.

Please do not hesitate to contact us if you have any questions or concerns, please visit www.networkrail.co.uk/communities or telephone our 24-Hour National Helpline on 03457 11 41 41.

Yours sincerely
