

# Christmas Celebration in Bletchley

Bletchley and Fenny Stratford Town Council kicked off the festive season on 24 November 2018 with its family friendly celebration and Christmas lights switch on. The event was organised and funded by BFSTC for the benefit of the community which meant many attractions were free. There was lots for everyone of all ages to do and talented community members entertained the crowd before the lights went on. Thank you to everyone who attended and helped with the event.
