

## They said “if you build it they will come” .... and they did!

Ribbon cutting by BFSTC Chair, Vice-Chair and Cllr Kelly-Wilson

The Council thanks resident Frank Sime for his oversight of the build process.

Over 500 people braved the wintry wet weather on Saturday to attend the opening of Newton Leys Pavilion and enjoy a fantastic Christmas Fair organised by the Newton Leys Residents Association. The long awaited sports and community pavilion was officially handed over to the Town Council on Friday 14 December by Taylor Wimpey and the first whole community event was held the next day. Many thanks to all those who attended and to the Residents Association for putting on such a great event. The “temporary” Community Centre on St Helena Avenue finally closes its doors on Thursday 20 December and in 2019 the community will be able to enjoy the new building facilities to the full.
