

# Buckingham Road Night Time Road Closure

For more information, please visit  
[www.networkrail.co.uk/communities](http://www.networkrail.co.uk/communities)

# Bletchley

The purple block shows the closure and the dotted line shows the diversion route.

Dear Neighbour,

As part of our East West Rail project upgrade, we will be closing Buckingham Road between Water Eaton Road and the Brunel roundabout.

**From: 18/08/21 – 21/08/21**

**Times: 10:00 pm to 5:00 am**

Pedestrian access will remain open

We are lifting 6-tonne precast units which hold the weight and handrails along the flyover. To minimise disruption we will lift these units at night.

Please see the map on the left showing our work area and the diversion route.

We apologise for any inconvenience caused by our work and the road closure.

If you have any questions or concerns, please contact [publicinformation@ewralliance.co.uk](mailto:publicinformation@ewralliance.co.uk) or call our national helpline on **03457 11 41 41**.

For more information please visit: [www.eastwestrail.co.uk/](http://www.eastwestrail.co.uk/)

Yours sincerely

**East West Rail team**
