Improvement work Bletchley

If you have any questions or concerns, please visit www.networkrail.co.uk/contactus or call:

24 hr helpline on 03457 11 41 41

Dear Neighbour,

As part of the East West Rail railway upgrade project, we shall be continuing the improvement works near your property and business

We will be dismantling the crane and preparing for its removal from site. To carry this work out with the least disruption we will be closing

Saxon Street between Princess Roundabout and Brunel Roundabout

From 6:00am to 6:00pm on Friday 28th August

Access to Duncombe Street for residents and shops will be maintained by turning off Water Eaton Road.

Although this work is essential, we would like to apologise in advance for any disturbance it may cause

We have asked those working on site to work with consideration for the local community
