

Help for new Universal Credit claimants during COVID

Unfortunately during this time more people are losing their jobs or being made redundant. As a result more people are required to go on UC, as Job Centres are not fully open it will be difficult for new claimants to find support.

We can help during this time.

What we can provide for clients:

- Reviewing CVs
- Providing resource packets
- Over the phone interviews with feedback
- Weekly phone calls/emailing
- Help with job search
- Training opportunities free of charge

If you are interested in referring individuals over to our Building Better Opportunities project the evidence we will need: Participant's **birth certificate/valid passport** and their **UC claim**. If the evidence is not available then a referral from a Council Worker or Job Coach can be used.

Please refer to the contact emails below where we will discuss their aims and form an action plan.
