

Committee structure and scheme of delegations

This scheme of delegation authorises standing committees and sub-committees of the council and the proper officer and the responsible financial officer to act with delegated authority in the specific circumstances prescribed. The scheme should be read in conjunction with the council's standing orders, financial regulations and other relevant documents contained in the suite of policies which make up the council's constitution.

Summary of council structure

Bletchley and Fenny Stratford Town Council has adopted an internal structure which allows committees of the council to undertake specified work and decision-making on behalf of the council. The specific responsibilities of each committee are laid out in this document in the relevant terms of reference. Additionally, individual officers also have delegated powers which are also laid out below.

Standing committees

Standing committees have delegated decision making powers in respect of matters specifically delegated to them. These powers must be exercised in accordance with the law, the council's standing orders and financial regulations and any approved policy framework and budget.

The council may at any time, following resolution, revoke any delegated authority.

Committees may decide not to exercise delegated responsibilities and may instead make a recommendation to the council. Similarly, where a committee has no delegated power to decide it may make a recommendation to council.

The minutes of each standing committee will be reported to and noted by the full council at the next meeting of the council.

Sub-committees

Sub-committees have no delegated financial powers at the present time. Sub-committees may make recommendations to their parent committee on matters which fall within their terms of reference and parent committees may delegate specific issues to them.

Full council, committee and sub-committee meetings are supported by the attendance of officers of the council and are conducted in public in accordance with the relevant legislation and standing orders. These meetings cannot proceed unless they are quorate.

Sub-committee minutes will be reported to and received by the parent committee at the next meeting of the parent committee.

Working groups

All committees have the power to create and appoint members to informal 'working groups' or 'task and finish groups' which by law can have no delegated executive powers and which report their findings to the body which created them for decisions. Working groups will be supported by officers as far as other council priorities and workloads allow. Working group meetings are not held in public and there is no formal quorum. Officers supporting working groups will produce notes not formal minutes.

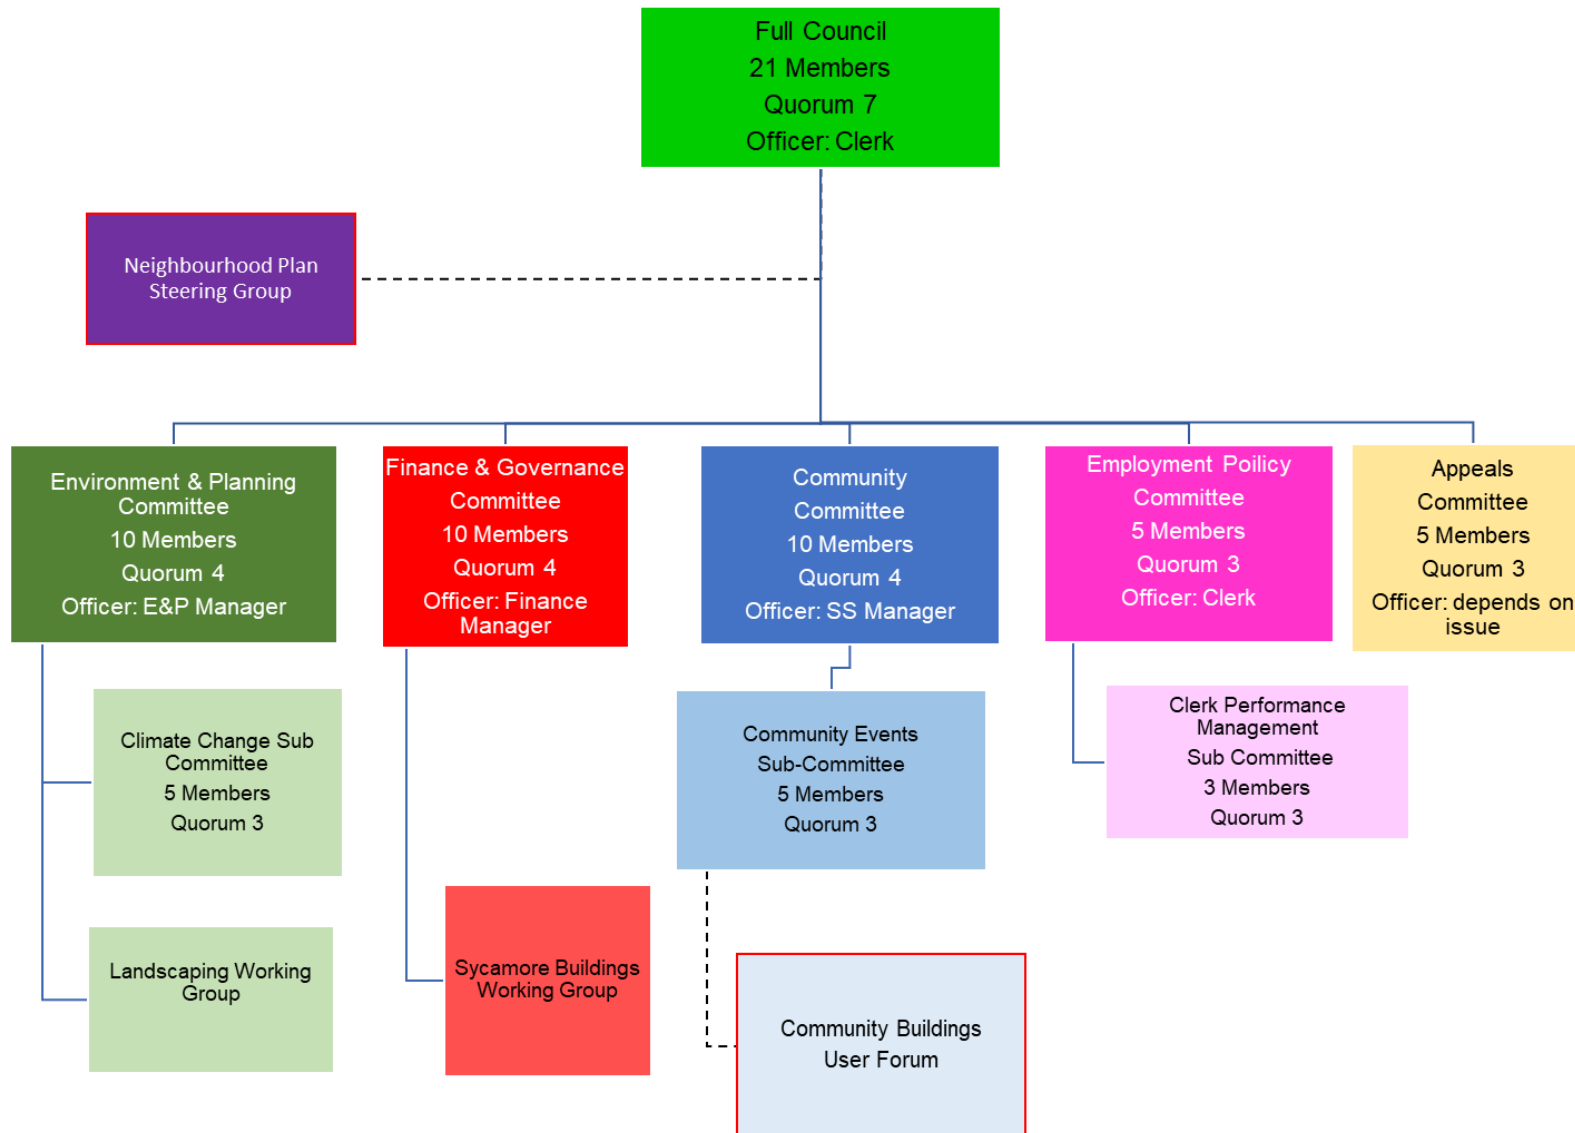

Officers

The role of officers is to advise the council and to implement its decisions. Key officers are delegated to make specified decisions on behalf of the council.

Duties and powers

The scheme of delegations includes the duties of the council which must perform. However the scheme also includes delegated authority for powers which the council may or may not choose to use from year to year.

Council structure

Bletchley and Fenny Stratford Neighbourhood Plan Steering Group is an independent body with its own terms of reference and not a committee of the council

The community buildings users' forum is not a committee of the council, it is an informal advisory body whose views and recommendations will inform the decisions of the community events sub-committee and the community committee.

Summary of responsibilities which cannot be delegated

The following matters are reserved to the full council for decision, notwithstanding that appropriate committee(s) may make recommendations for the council's consideration.
