### **Appeals to the Secretary of State**

There is not an appeal process for this type of planning application.

### **Purchase Notices**

If either the local planning authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council, or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.

### **Compensation**

In certain circumstances compensation may be claimed from the local planning authority if permission is refused or granted subject to conditions by the Secretary of State appeal or reference of the application to him.

These circumstances are set out in section 114 and related provisions of the Town and Country Planning Act 1990 (as amended).
