## NOTES

- (1) This certificate is issued solely for the purpose of section 192 of the Town and Country Planning Act 1990 (as amended).
- (2) It certifies that the use or development specified in the First Schedule proposed to take place on the land described in the Second Schedule would have been lawful, on the specified date and, thus, would not have been liable to enforcement action under section 172 of the 1990 Act of that date.
- (3) This certificate applies only to the extent of the use or development described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use or development which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
- (4) The effect of the certificate is also qualified by the provision in section 192 (4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
- (5) If you are aggrieved by the decision of the Council to refuse your application in whole or in part (including a case in which the Council modify the description of the use, operations or other matter in the application or substitute an alternative description for that description) then you can appeal to the Secretary of State for the Environment under Section 195 of the Town and Country Planning Act 1990 (as amended).
