Complaints by one council employee about another or between a council employee and the Council	This type of complaint is dealt with under the Council's staff disciplinary and grievance procedures and the detail of such proceedings remain confidential.
Complaints about decisions of the Town Council	The complaints procedure is not designed to deal with objections to policy and other decisions which have been properly made by the Town Council within council meetings with no failures of administration or procedures. Disagreement with decisions of council should be made known by letter or discussion with council members and will be considered but will not be subject to this complaints procedure.

- 5 The appropriate time for influencing council decision-making is by raising your concerns before the council debates and votes on a matter. You may do this by writing to the council in advance of the meeting at which the item is to be discussed. There may also be the opportunity to raise your concerns in the public participation section of council meetings. If you are unhappy with a council decision, you may raise your concerns with the council, but our standing orders prevent the council from re-opening issues for six months from the date of the decision, unless there are exceptional grounds to consider this necessary.
- 6 You may make your complaint about the council's procedures or administration to the clerk. You may do this by writing or emailing the clerk. The address is set out below. To assist the council to deal with your complaint as efficiently as possible a standard form is available on our website.
- 7 Wherever possible, the clerk will try to resolve your complaint immediately. If this is not possible, the clerk will normally try to acknowledge your complaint within five working days.

- 8 If you do not wish to report your complaint to the town clerk, you may make your complaint directly to the chair of the council who will report your complaint to the appropriate officer or committee within the council according to the nature of the complaint
- 9 The town clerk will also report all formal complaints and their outcome to the town council.
- 10 Complaints will be investigated by the clerk to the council or by the chair of the employment policy committee on behalf of the clerk performance management sub-committee if the complaint is about the town clerk. The council may seek to obtain further information as necessary from you and/or from contractors, staff or members of the Council.
- 11 The clerk or chair of council will notify you within 20 working days of the outcome of your complaint explaining what action (if any) the council proposes to take because of your complaint. (In exceptional cases the twenty working day timescale may be extended; if so you will be kept informed.)
- 12 If you are dissatisfied with the response to your complaint, you may apply in writing for your complaint to be referred to the appeals committee or to full council. The letter notifying you of the outcome will explain how to make your appeal. If the complaint is to be referred for appeal it will be dealt with as soon as possible. You will be notified of the outcome of the review of your original complaint in writing as soon as possible and no later than 8 weeks after you first asked for the matter to be reviewed.
- 13 To ensure compliance with our obligations under the Data Protection Act 2018 the town council will not disclose the identity, contact details or other personal data about an individual complainant unless he/she consents to this or disclosure is otherwise fair and lawful under the 2018 act. The identity of the complainant will be made known only to those in the council who are considering the complaint.
