### **Right of appeal to the Secretary of State**

If you are aggrieved by the decision of the Local Planning Authority to refuse permission, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 within 6 months of the date of this notice. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

Appeals must be made using a form which you can get online at [www.gov.uk/planning-inspectorate](http://www.gov.uk/planning-inspectorate) or from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by the Secretary of State.

Further details can be found online at [www.gov.uk/planning-inspectorate](http://www.gov.uk/planning-inspectorate).

### **Purchase Notices**

If either the local planning authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council, or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.

### **Compensation**

In certain circumstances compensation may be claimed from the local planning authority if permission is refused or granted subject to conditions by the Secretary of State appeal or reference of the application to him.

These circumstances are set out in section 114 and related provisions of the Town and Country Planning Act 1990 (as amended).

### **The Party Wall etc. Act 1996**

Anyone intending to carry out work described in the Act MUST give adjoining owners at least 2 months notice in writing of their intentions.

The Act covers:- (i) work to be carried out directly to an existing party wall or structure

(ii) new building at or astride the boundary line between properties

(iii) excavation within 3 or 6 metres of a neighbouring building or structure, depending on the depth of the hole or foundations

If you are not sure whether the Act applies to work that you are planning, you should seek professional advice.
